Step 3 – Locate the School

- Moura State School should show up in nearby locations if you are within 10km of the school. Otherwise click the magnifying glass on top righthand corner and search.

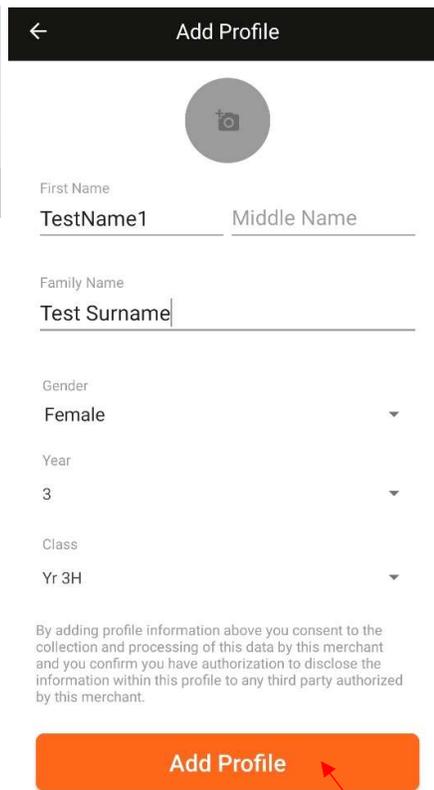

Step 4 – Register Students

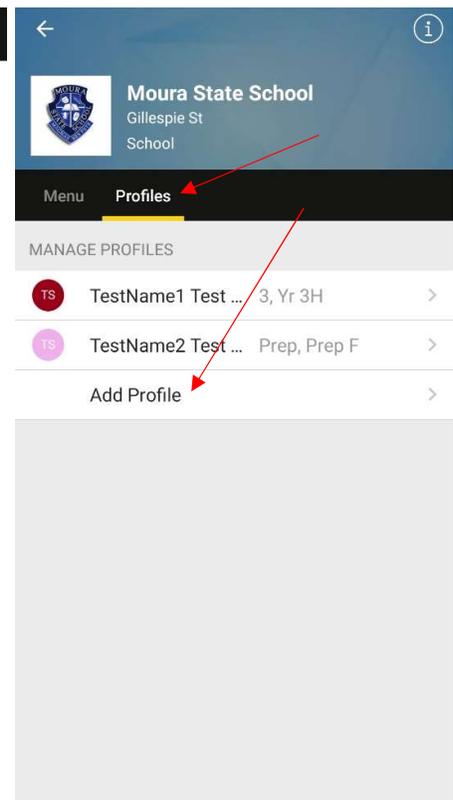

- You now need to create a profile for each child.
- After you first register your account there should be a green 'Add Profile' button. Click that to start adding a student profile (picture 5).
- Fill out the student details, select the Year level and Class and click orange 'Add Profile' button (picture 6).
- To add another student, under 'Profiles' click Add Profile (picture 7).
